

VOLUNTEER SERVICE OPPORTUNITIES

(Your options are not restricted to these. You may complete your service at any charitable organization to which a financial contribution would be tax deductible)

Jesus Ministries	Contact Brenda or Eric at 791-7002 (Fax letter with name of applicant and the amount of hours that need to be completed to 791-7997)
Cape Fear Habitat for Humanity	Contact Kitty Yerkes at 761-4793, Ext.: 102 (Fax letter with the amount of hours that need to be completed to 762-4798)
The Bargain Box	Contact Karyn Oettinger at 362-0603 (This volunteer service opportunity is not for violent offenders or shoplifters)
Cape Fear Volunteer Center	Contact Annie Anthony at 392-8180 (You will need to register as a volunteer which can be done by accessing their website www.capefearvolunteercenter.org)

You may complete your volunteer service at any of the above organizations if they have work available, or at any other charitable organization of your choice to which a financial contribution would be tax deductible. While most places need volunteers often, availability is based upon the organizations needs. Therefore, do not wait until the last minute. Your volunteer work is truly volunteer work that you find yourself. It is not court-ordered, however, you should emphasize that you complete it for court purposes. Do not call or visit the Community Service Office at the court house to find work because it is a state agency that only finds work for people that are on probation.

When you have completed the required volunteer service hours, please have the organization write a letter on your behalf, on their letterhead stating your name, how many hours you completed, and the date of completion, and provide the letter to us as soon as possible.
